

# Money on the account within two days

ALL YOU NEED IS A SIMPLE PAYMENT TERMINAL. THE MONEY IS ON YOUR ACCOUNT AND YOU NO LONGER NEED TO WASTE YOUR TIME BY COUNTING MEAL VOUCHERS.

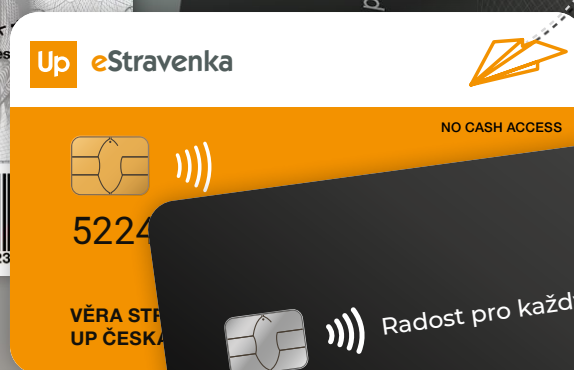

**eStravenka**

# ELECTRONIC MEAL VOUCHERS

eStravenka works in the same way as a classic payment card from Mastercard. Its operation is simple and all you need is a standard payment terminal.

The money will be credited to your account within 2 days without any further acts necessary. The transactions are listed in one report along with other payments by card. All you need to be added in the system is a merchant's number.

## BENEFITS OF ESTRAVENKA FOR PARTNERS

### Money on the account within two days

Mastercard processes your payments before you compile the third lunch menu.

### Great time saving

You don't need to collect lunch vouchers, count them or send them for reimbursement. You know, time is money...

### A payment terminal is enough

eStravenka is from Mastercard. That means it works like any other standard payment cards.
